I'm not quite sure where this term has gone!

We began in September with a fantastic (albeit wet!) performance at Belton House at their Community Festival. The children did us proud as always and it was lovely to see some of the show performances one last time.

Some of the pupils then attended a Swan Lake workshop with professional dancer and choreographer Rae Piper, which was a wonderful opportunity for them to learn some of the repertoire from this well-known Ballet. We hope to welcome Rae back in the Spring term.

This term we have been working hard on syllabus work in our Ballet and Tap lessons. We have been focussing on technique particularly in Ballet as well as clarity of beats and musicality in Tap. In Junior Modern we have been looking at different genres including Hip Hop and Lyrical and in Musical Theatre the children have been working on a medley from The Greatest Showman. It was lovely seeing them perform this last week for the parents.

The Seniors are continuing to work hard in their classes, and we are continuing to see improvement in their strength and flexibility thanks to Rhianna's Stretch and Flex class. Parents are invited to come in and watch any of the Senior classes this week.

The Acro girls have also been working hard on a Wednesday improving their technique and expanding their repertoire of moves.

Charlotte continues to offer private singing lessons on a Saturday. She received excellent results at the start of the term for those who took examinations, and we wish those awaiting results all the very best in the recent examinations taken. Charlotte has one free 15-minute space in January available for anyone interested in singing lessons.

Thank you for your ongoing support as always. Have a super Christmas break. Happy New Year and we look forward to seeing you in January!
