**Invoices for the Autumn term will be emailed during the summer holidays and are payable by the first week of term please.**

We've had a wonderful summer term, concluding on a high with our recent show at the Newark Palace Theatre. The day was a huge success, showcasing how hard the children and team have been working over the last few months. Thank you for all your lovely feedback and for your support which enables this event to happen. A special thank you to everyone who helped backstage. Your organisation, patience and kindness helped the day run smoothly.

We finish the term with the Welbourn Care Centre and Brant Broughton School Summer Fairs. I very much look forward to the children performing in our local community and showing how fantastic they are! Show photographs are now available to view and purchase via the link I have sent out on a recent email and USB's are now available to collect from dancing. If you haven't ordered a USB and would like one, please let me know.

In the Autumn term our focus switches to syllabus work and improving technique. Many students will be working towards taking an examination and extra exam lessons will be pencilled in. We also have the opportunity to perform some of our show dances again at the Caythorpe Gala and Belton Community Festival at the start of September as well as being invited to perform at the Forest School Festival at Walesby. A great chance to put on those show costumes again!

Have a lovely summer break. We look forward to an exciting and productive term ahead!
